# DEDICATION

For many years the students and faculty of Woodruff High School have enjoyed the presence of Mr. Thomas Correll. He is known to all as the fine coach of our baseball and basketball teams, and is admired by everyone as a true gentleman of our faculty.

This year Mr. Correll brought more fame and glory to Woodruff by taking his inexperienced basketball club to the 'Sweet Sixteen State Championship Finals' at Champaign, Illinois.

In this, Mr. Correll's outstanding year, we dedicate, as a token of our sincere appreciation and hearty congratulations, this 1951 TALISMAN.

Best wishes to you, John, in everything you do. See you next year in Acappella! Sharon Collins

## RIME OF THE ANCIENT MARINER

Every evening for three days, the ship was  
lighted by the light of the moon.

Water, water, every where,  
And all the board did sway,  
Water, water, every where,  
Nor any drop did stay.

# IN MEMORIAM

## Madelyn Hermann

Her heart was as pure as the morning dew,  
Her faith had no taint of sin,  
I love she lives in my heart,  
And sang with the accent of heaven.

All down the trail of wondrous days,  
She walked with the angels,  
And sang with the angels,  
And sang with the angels.

And she sang with the angels,  
And she sang with the angels,  
And she sang with the angels,  
And she sang with the angels.

Rev. G. C. Chessman

French Club offers its members an opportunity to have a good time and at the same time learn a great deal about the customs of the French people.

This year's activities were highlighted by a weiner roast at Detweiler Park; a talk by Mlle Kambly, head of Bradley University French Department; an initiation party at Phyllis Williamson's home; and the Tri-Language roller skating party.

The climax of the year was dinner in the Vogue Room of Hotel Pere Marquette, with French Menus, programs, and entertainment in a setting entitled cafe Tour Eiffel.

One of the most worthwhile organizations in Woodruff High School is the Library Club. Cooperation and willingness to learn and serve others are keynotes of this service organization. Students assist the librarian in helping the students and faculty in using the library to the best advantage. Displays keep the library attractive. Parties and trips have made an interesting social program for club members. Upon successful completion of two consecutive semesters of service, members are awarded pins; after two years, service letters, three years a service bar and at the end of four years a gold flying is attached by chain to the pin.

City-Champs, Regional Champs, Sectional Champs, and a tie for 5th place in the State! That was the record that the Warrior Hoopsters, turned in for the '50-'51 basketball season. Going into the Regional Tournament, the Warriors entered as the underdog. They were expected to lose to Peoria (52-37), and still no one was alarmed, but 47-46 and 60-61 victories over Spalding and Manual respectively, really caused considerable excitement. This Woodruff team might have some-thing else to be proud of, but the fact that they were ahead of them and most important of all, a strong Pekin team that had given them quite a beating earlier in the season. Entering the tournament as an underdog, W.H.S. surprised everyone by a 41-37 victory over Pekin. The Warriors then defeated Peoria 41-37, and won the 'Sweet 16'. An impressive victory, (76-62) over St. Paul. The first round of play ended for Woodruff. They then lost to Decatur 73-50, and going a four-way tie for 5th place in the State.

This year's captain's chores went to Arnold Boich. No one was more deserving of this honor than 'Fritz'. He was chosen on the all-city team and did a great deal in holding the W.H.S. squad together.

Jerry Lindenmeyer, Jon Burnham, Walt Durdle and Bob Colwell made up the rest of the starting five. 'Lindy's' fire-ball playing meant a great deal to the team, as well as the rebounding skill of Walt Durdle and Jon Burnham, and the defensive guarding job held by Bob Colwell. Tommy Correll's fine coaching ability was once again proven as he built an inexperienced, mediocre ball club into the team that it was.

All in all, the W.H.S. team did a great this year, and their accomplishments will long be remembered.

With top flight runners like Don Martens and Bob Wagler in the mile and Sophomore Wayne Root in the broad-jump and 4.40, Glen Burmeister in 2.20, and Jerry Lindenmeyer in half mile, the Warriors completed a very successful season in the larger meets also.

Winning top honors in both the Illini Conference and the district meet, the team went on to state competition.

With ten returning lettermen for the '51 season, the Warriors should come through in top standing again next year.

The Warrior Baseball team ended the 1950 season with 12 wins, 12 losses and one tie for an average of .500%. This was accomplished through the powerhouse hitting of Gene Merrill, and sophomore Carl Weber.

Woodruff started the season with a 'bang', defeating Metamora, 12-0, and winning three of the next six games. Starting with Princeville, however, they dropped four in a row. W.H.S. then came back to whip Easton 8-7, but then dropped the next one to Kewanee, 4-2.

In the District tournament at Princeville, Woodruff almost proved to be the dark horse of the tournament as they took a 3-1 decision over Chillicothe in the 8th round, and then pulled a surprising upset over Spalding, 3-0 before losing to powerful Manual, 12-1.

With nine returning lettermen for the '51 season, the Warriors should prove to be a serious threat.

# The path to your success is here at Bradley University!

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, 'Bradley has the highest accredited rating that an institution can achieve in the United States.'

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 50 areas of study. Its free lecture-arts series is not equalled in any university in the United States. The University is accredited by all the major accrediting agencies.

Under the new 'Bradley Plan,' a student is given the opportunity to combine his regular college education with military training in the university's Air ROTC. If his college and military work is creditable, he has chance for deferment until graduation and for gaining a reserve commission, upon graduation as a ground forces officer in the Air Force.

# "United We Stand"

*In This Year 1951, Let Us All Pledge  
Full Acceptance of Our Responsibility  
to Our Country . . .*

In the words of Abraham Lincoln in the President's Message to Congress December 1, 1862 . . . "The occasion is piled high with difficulty and we must rise to the occasion."

In this national emergency our responsibility to our country is great. So long as conflicting themes of doctrine divide people into opposing camps of philosophy, strife will continue in the world. Above all, we people of the United States must acknowledge a one-ness of purpose, must **remain** united, one nation indivisible, with liberty and justice for all."

Contradictions are not always what they seem to be. Light and darkness, warmth and cold, land and sea, good and evil, the known and the unknown, seemingly in contrast are but part and counterpart of the whole, the whole of a one-ness — one people, one universe, one God.

The responsibility is ours, this Year's 1951!
